Joby,

Good afternoon. Yes, that's correct – no change since yesterday.

Also – just to introduce myself, I'm a new spokesperson here in the Office of Public Affairs (on day #4, actually). Below is my contact info. Nice to meet you – at least virtually!

Joby –

Thanks for your note.

Off the record, we're aware of the reports and right now we don't have anything to offer on the latest allegations of Syria CW use. As you know, assessments of this type of claim can take time to sort out.
